Notice of Bunker Surcharge in the Port of Ventspils

We hereby inform you that, effective 1 January 2026, a Bunker Adjustment Factor (BAF) in the amount of 15% will be applied to all tug services in the Port of Ventspils.

The bunker surcharge will be applicable to the full cost of towage assistance. In order to provide our customers with towage price stability, the level of the bunker surcharge will be fixed for a minimum period of six months, and thereafter until reasonable advance notice is given.

We hope for your understanding and look forward to future cooperation.

Sincerely,

PKL Latvia SIA
